**Notice Regarding Revisions to Year-end Dividend Forecasts for the Year Ending
March 2022**

Tokyo -- March 22, 2022 -- Asteria Corporation hereby announces that a meeting of the Board of Directors held on the same day passed a resolution to revise its year-end dividend forecasts for the fiscal year ending March 2022. It intends to confirm this at a meeting of the Board of Directors scheduled for the first half of May 2022.

1. Reasons for the Revision to the Year-end Dividend Forecast

Profit distributions are based on Asteria's basic policy of actively returning profits to shareholders in line with earnings, while at the same time ensuring a sufficient level of retained earnings due to its awareness of the importance of strengthening profit growth and the financial structure which drives that growth.

In accordance with this policy, and with social trends and the company's financial conditions in the year taken into account, Asteria has decided to revise its year-end dividend forecasts for the year ending March 2022 from undetermined to 4.50 Japanese Yen per share.

2. Details of the Revised Year-end Dividend
